

LEE & BAE

Changmin Lim

I combine photography and video work as a way to portray a still interior space. The space within the photographs depict places bearing the footsteps and gazes of countless people, from art museum lobbies, hotel suites, cafeterias, and hallways of old universities. Using windows here, I draw in the beautiful scenery of nature. The scenery is portrayed through video, but resembles paintings hanging on walls of expressions frozen in time.

LEE & BAE

Changmin Lim (b.1971, Geochang, Korea)
