

Seunghee Lee

Seunghee Lee is a master of ceramic art known for his contemporary interpretation of traditional Korean and Chinese ceramics. He was trained in the Craft Design Department at Cheongju University in Korea, where he studied ceramics, fiber craft, dyeing, and tapestry. He creates much of his work in Jingdezhen, in southeastern China, where he established a studio in 2008 in the historic center of Chinese porcelain production. Since the establishment of his studio, he has won international acclaim for his Porcelain Paintings, the Space of 8mm series, and his Bamboo series.
